4 THINGS WE CAN TALK ABOUT

Kids
Travel
Service
Hobbies
Kids
The Fifth Annual Meeting of the Women in Cognitive Science Group
Thursday, November 10, 2005, Toronto

Children and Academic Careers*
A Panel Discussion

* This is a topic that is of great concern to both men and women. All are welcome to attend the program.

Participants:

Kathryn Spoehr (Panel Moderator)
Professor of Cognitive & Linguistic Sciences and Public Policy at Brown University
(Past Provost, Dean, and Department Chair, Brown University)

Judith H. Langlois
Professor, University of Texas, Austin
(Past Dean of Liberal Arts, University of Texas, Austin)

Judith Kroll
Professor, Pennsylvania State University

David Plaut
Professor, Carnegie Mellon University

Jocelyn Folk
Associate Professor, Kent State University

Jeff Zacks
Assistant Professor, Washington University

Location: Grand Ballroom West, Sheraton Centre

Time: 4 p.m. – 6 p.m.
- Huge diversity
- Parental leave
- Kids at work
- Child care
- Schools
- Extracurriculars
Travel

• Which?
• How much?
• Tag-teaming
• Support
Service

- Which?
- How much?
- Say no early (and be nice about)
Hobbies

• An academic career is a marathon, not a sprint
• Multidimensional selves and affect regulation
